RE: Invitation to 3rd Public Neighborhood Forum – Wednesday, April 13, 2016, 6:30 p.m.

Greetings.

You are receiving this letter because you own property within or near, **“Future Study Area No. 17”** highlighted on the map located on the reverse side of this letter. Previous notification letters have been sent to you for public forums conducted last fall and most recently for a public hearing in March before the Planning Commission.

In response to concerns raised during the Planning Commission’s public hearing regarding the final **“Study Area No. 17 Recommendations Report,”** the matter was tabled so that an additional public neighborhood forum could be scheduled. The 3rd public neighborhood forum has been scheduled for:

Wednesday, April 13, 2016

6:30 p.m.

Marilla Center

This **PUBLIC FORUM** will be open to the public and all are welcome to attend and participate. As a property owner and/or resident within and around the study area, **you are a key stakeholder** and **we hope you will attend and participate** so that the final Recommendations Report reflect observations, comments, concerns, and interests of participants.

Residents and property owners are encouraged to communicate their support or concerns to the Planning Commission through one or more of the following options:

- **Emails** can be submitted to Stacy Hollar at shollar@morgantownwv.gov.
- **Letters** can be submitted to Stacy Hollar at the address above.

The **“Study Area No. 17 Recommendations Report”** and other related document can be accessed at the following website:

<http://www.morgantownwv.gov/future-study/>

Thank you for your continued participation in this planning project.

Respectfully,

Christopher M. Fletcher, AICP
Director of Development Services

“Future Study Area No. 17”
